About

Prosecco, Italy's famed sparkling wine, and the name of the white grape (Glera) that is used to produce the bubbly itself, hails from the Veneto region. Unlike Champagne, Prosecco is produced using the Charmat method in which the secondary fermentation takes place in stainless steel tanks. This process makes Prosecco an incredible joyful wine to drink young and fresh.

Artisento is made for Broadland Wineries by Perlino a respected business with a history dating back more than 100 years. This Prosecco celebrates the winemaking excellence and knowledge that has been handed down and perfected across the generations.

Tasting Notes

Very fresh with pleasant fruity notes. Well-balanced, soft and full with good length. Extra Dry. Ideal as an apéritif or with hors d'oeuvres, fish and light delicate dishes.
